

## ALUMNI GREETINGS FROM THE FARM

Dear N. W. S. A. "Harmonies":

There's a song in the air! Keep it ringing!

My melody thoughts are always pleasant when I recall the times spent at the Northwest School.

May success and happiness accompany each and every Aggie Member through future years. "Whistle a tune, and be gay!"

Very truly yours,

MRS. M. J. PERRY (Helen Brown)  
Faribault, Minn.

## GREETINGS FROM HAMLINE UNIVERSITY

I welcome the opportunity to send my greeting to the many old friends and associates throughout the Valley. The fact that each of us has been a part of the Northwest School is responsible for a feeling of friendliness which perseveres. There is something unique in the spirit of that school—something big which reflects the expanse of the prairies, something vigorous which suggests the sweep of the northern winds. There is something fine which is indicative of the splendid young students who, in developing themselves, are assuring the Red River Valley of continued progress. I am grateful for the years I spent with you. I congratulate the present students on the opportunities which are theirs. As in the past, so in the future, the school will be a powerful factor in determining the success of countless young people throughout the Northwest.

ANNE SIMLEY,  
Hamline University

## AND FROM THE NATIONAL DAIRY COUNCIL

Greetings!

I am very happy to have this opportunity to greet the students who were in my classes and the other friends I made while at the Northwest School, and especially to congratulate the members of the Class of '31. You are approaching the last hurdle in your prep-school career and the joy of the occasion is necessarily somewhat tempered by the thought of leaving. As the years slip by one by one, the memories of the Northwest School will grow more mellow in your heart as they have in mine. You will always be glad to have had this worthwhile and invaluable school experience, and will find much joy and pleasure in the many friendships you have formed.

Best Wishes and Good Luck to All,

Sincerely yours,

LAURA GERBER, St. Paul, Minn.

## A MINNESOTA ALUMNUS

Happy to have this opportunity of extending my greetings to all my former Classmates and teachers and especially to the members of the Advanced Class of 1926.

Sincerely,

AGNES FORSNESS, Fergus Falls, Minn.
