The Y. M. C. A. and the Y. W. C. A. organizations were organized March 8, 1913. This was done for the purpose of enabling the students to indulge in a study of the Life of Christ and to place emphasis on the religious side of life. The very first Associations of this kind established in America were for the purpose of increasing the spiritual vitality and fruitfulness through confronting young men and women.

Officers for the preceding year are elected before the close of each school year. Each Sunday morning at nine o'clock, the Bible class is held with a member of the faculty as the speaker, and the President of each presiding. On Sunday evening the regular Church Services are given with a Minister of the various churches of Crookston.

Observe the completeness of His teachings. What idea essential to the religious life has been added in well-nigh two thousand years? Think, for example, of such words of His as these, "I am the Way, the Truth, and the Life"; "I am the resurrection and the life"; "Heaven and earth shall pass away, but my words shall not pass away"; but remain in all of the lives to come.

The officers of the two organizations are:
