

## Orchestra

The Orchestra this year is under the direction of Miss Peterson, Miss Polski and Miss Warne. They have played at every event of the year, and beside displaying constantly growing repertoire, their tone quality and general musicianship has been excellent.

## Trio and Quartette

The Girls' Trio has sung not only at our own assembly and at the Get-Together Banquet, but has helped entertain the patients at Sunnyrest Sanatorium. The Mixed Quartette has sung at banquets and as solo quartette with the Mixed Chorus.
