O! How easy it is the night before to get up early the next morning.

Bjorne Nornes: "The only blot on my happiness is that I can't stand on the side walk and see myself go by."

Melvin: "So your room-mate is sick. I hope it is nothing contagious."

Stanley: "So do I. The doctor says he is suffering from overwork."

"JUST IMAGINE"

"How did you come?"

"By aeroplane."

"How was the road?"

"A bit cloudy."
