The 4-H Club

The Northwest School 4-H Club was organized December 7, 1931, for the purpose of giving the members practice and instruction in conducting 4-H club meetings. Forty-two students joined the organization this year.

A meeting is held once each month with a program presented by members of the club. The programs are intended to be entertaining as well as educational. Recreation features are included along with the educational work.

It has been the policy for the Northwest School 4-H Club group to entertain the visiting members who participate in the Winter Shows, held each year at Crookston during the second week in February. This year a program consisting of plays, songs, speeches, humorous readings and orchestra selections was rendered by the students.

For the first time the Northwest School was in a position to furnish rooms for the visiting members who came from all parts of Northwestern Minnesota.

Our aim is to secure the kind of training that will enable us to be more useful citizens in our home communities.

The officers of our club are:
