November 11—Aggies	- - - - 33	Morris Aggies	- - - 0
Aggies' Total	- - - - 106	Opponents' Total	- - - 76

This symbol of the friendly rivalry between the West Central and Northwest Schools of Agriculture first made its appearance at the 1929 football game. Morris was victorious that year so "Ossie" tried one winter in the southern clime. The

following season the Northwest Aggies ran wild over their opponents, thus bringing Ossie to the fertile prairies of the North. The pure air and friendly spirit of the Red River Valley made such an appeal that Ossie has decided to remain indefinitely.
