CLASS OF 1935

At our first meeting the class of 1935 chose Miss Fae Hughbanks and Mr. Elwyn Ocock as our class advisers.

In the annual out-door festival the Freshmen won the first relay race of the year. Though we were awarded the usual fourth place for Freshmen in the Inter-Class Song Contest, we received some valuable training in preparation for it, and hope to profit by this in next year's contest.

Our class has been represented in athletics, music, and dramatic productions.

We are looking forward to three more happy and successful years at the Northwest School.

VIRGIL DOBLE, President.
