PEPSTERS

Among the new organizations formed on the campus this year is a group known as the Pepsters. With a membership composed of a girl and a boy from each class who serve in the organization throughout their lives at the school, it is hoped that there will always be a group trained and ready to take part in leading the school yells and songs. Although the organization is still young, it has met with the hearty approval of the student body whenever it has performed, and it is hoped that by another year the group will have gained real proficiency in the art of creating a loyal school spirit.

At the close of the school year the two retiring members, Olive Heegard and Edwin Meyers of the advanced class, having served as cheer leaders for three years, were awarded the Maroon and Gold megaphone, symbol of service in the organization.

Edwin Meyers has served most efficiently as president of the organization, while Olive Heegard has fulfilled the duties of secretary.
