### BOY SCOUTS

The first Boy Scout organization at the Northwest School was started in 1927 by Melvin Burk. He organized the Northwest Eagle fraternity. No troop was organized, however, until 1930, and then under the influence of faculty members and the leadership of Scout Master F. L. Ocock.

At the opening of the fall term of 1932, a large number of the old scouts returned and with them a number of Freshmen who joined as tenderfoots. All of the scouts were determined to make a successful scout year.

After taking the scout oath, a new member may join the scouts as a tenderfoot. Then there is the wonderful opportunity for the tenderfoot to become a first class scout and later on develop into a real scout leader.

Scouts are taught many valuable things which are always practicable through life. A good scout is trustworthy, loyal, helpful, friendly, courteous, kind, obedient, cheerful, thrifty, brave, clean, and reverent. All these characteristics put together make an ideal citizen.

We hope the students following us will endeavor to live up to the Boy Scout ideals.

Scout motto, *"Be Prepared."*

Scout Oath:

*"On my honor I will do my best,  
To do my duty to God and my country and to obey the Scout laws,  
To help other people at all times,  
To keep myself physically strong, mentally awake, and morally straight."*
