

## State Champion Debate Squad

We are happy to be able to include the report on the 1933-34 debate season in the Aggie before it goes to press—especially since we won the state championship this year.

On Friday night, March 9, our negative team, composed of Paul Hanson, Richard Holmgren and Esther Haugo, defeated the University Farm school affirmative team on their own floor by a two to one decision of the judges.

On Saturday night, March 10, our affirmative team, composed of Rose Naplin, Burnett Bergeson and Morris Engelstad, defeated the Morris negative team in a thrilling debate held in the Northwest School auditorium. The decision was again two to one.

Alternate speakers who supported the championship team were Selmer Johnson, Laura Hanson, Joyce Starnes, Walter Beatty and D. C. McGenty, coach.
