Floyd Tack—"Dad, you're a lucky man."
Father—"How's that?"
Floyd—"You won't have to buy me any
new books. I'm going to be in the same
classes next year."

IN TYPEWRITING CLASS

Art Anderson—"How come you can make
up your typing work and I can't?"
Hazel Johnson—"I've been absent."
Art—"So have I—absent minded."
Rodney—"Where'd you get them eyes?"
Rose—"Don't laugh, Mister, they came
with my face."
