

## Field Meet

The annual Inter-Class Field Meet, which is the culmination of the work carried on in the Physical Education classes, was won by the Senior class with the Juniors, Advanced, and Freshmen finishing second, third and fourth in the order named. Although no records were broken, the meet was considered highly successful as a

larger number of boys than ever entered competition, making the interest very keen. Due to bad weather the running events were held indoors, which made it possible for all the students to see this popular feature at close hand. Following is a summary of the individual events.
