

Junior Class History

The fall of 1933 witnessed the enrollment of eighty-seven young men and women from many Minnesota counties at the Northwest School of Agriculture. We were a shy but anxious group, willing to take advantage of the opportunities offered at the school. After establishing ourselves in classes we proceeded to organize ourselves for the many inter-class events held at the school. Mr. and Mrs. R. J. Christgau were elected as our advisers to guide and assist us throughout our Northwest School careers. Our first experience in an inter-class event resulted in the tying for second place in the outdoor festival, and caused upper classmen to take notice of a promising freshman class. In the colorful song contest which is an annual event we took third place.

Although we finished with fourth place in the annual basketball tournament we made a good showing and lost a number of close contests. Our freshman year was concluded with our taking third place in the field meet.

When we entered our Junior year we found several new faces. Several familiar faces were missing, but reinforcements equalled our losses. Wiser as the result of our Freshman experiences we, as Juniors, entered all school activities with a great deal of enthusiasm and were prepared to tackle our most important school function of the year, the Junior-Senior banquet. Mr. and Mrs. R. J. Christgau continue to serve as our advisers.
