We students, as everyone else we suppose, adjust ourselves very mechanically and automatically to our business life, following certain schedules in going about our work day after day. However, we can feel grateful that our Golden Rule has set aside one day of every week as a day of rest and worship. We do not mean to say that we are doing justice to this day, but we are at least endeavoring toward that end. We believe that this endeavor is brought out through the

Y. W. C. A. and Y. M. C. A. organizations and the ever willingness of our local pastors who very generously deliver to us their weekly sermons. Our Sunday Morning Bible classes in the dormitories are also under the auspices of these organizations, and our "Thought for the Day" is brought to us by members of the faculty. We consider these organizations and our meetings thoroughly inspirational, beneficial as well as educational.
