Each year the Northwest School gives recognition to students who have made the greatest progress in their class during the course of the school year. These recognitions are known as Caleb Dorr Progress Recognitions. The Senior class of 1935 is glad to give recognition to members of the class who were given the honor when we were Freshmen. The awards in 1933 went to Noel Hanson, Detroit Lakes, first, and Clifford Sauer, Glyndon, second, in the boys' division, and to Laura Hanson, Thief River Falls, first, and Marie Johansen, Pitt, second, in the girls' division.

The awards in 1934 to all classes were as follows:

JUNIORS: Noel Hanson, Detroit Lakes; Laura Hanson, Thief River Falls.

SENIORS: Torlief Boe, McIntosh; Margaret Lerud, Twin Valley.
