

Faces, Just Faces

Campus Sheiks
Their boxes seek.

What a conglomeration!
Behold, it's the second generation!
Congratulations!

Faculty, Faculty, everywhere,
They see to it, too, that they
get their share.

Our Aggie advertisers, they eat,
too,
But that's to keep going for they
have much to do.

To the Northwest School Campus
we come—
I guess they think we're not so
dumb.

The Alumni "A" Club's first reunion.

Reunion Summer, 1934.
