

Pepsters

Top Row—Chilson, Sauer, Lerud, Gunn, Weindorf.
First Row—M. Hanson, L. Hanson, Watt.

Organized in 1932 to aid in creating a loyal school spirit among the student body, the Pepsters have contributed much to the success of the school during the organization's four years of existence. Members of the Pepsters lead the school in yells and songs at pep fests and at all athletic events.

The Pepsters are representative students who have the desired qualities of sportsmanship and leadership, and a desire to be of service to the school. One boy and one girl are elected from each class and retain their membership as long as they maintain their class identity and comply with the requirements of the organization. At the comple-

tion of four semesters of service in the organization, the members are awarded with a maroon and gold megaphone. The organization is an asset to the Northwest School.

During the current school year the Pepster membership consisted of the following students: Freshmen: Myrtle Hanson, Twin Valley; Alton Gunn, Wadena. Juniors: Virginia Watt, Bagley; Werner Weindorf, Jordan. Seniors: Ruth Lerud, Twin Valley; Martin Chilson, Dalton. Advanced: Laura Hanson, Thief River Falls; Clifford Sauer, Glyndon. Faculty Adviser: Miss Elsie Mae Kingston.
