Freshman Class

In the fall of 1935 one hundred twenty-eight young men and women of the Red River Valley invaded the campus of the Northwest School vibrant with ambition to accomplish great things. Having the distinction of being the largest class to enroll at this institution they offered a substantial nucleus for leadership and progression in the life of the school.

The Freshmen have proved eager participants in all extra-curricular activities. The Fall Festival events, the class party, athletic fetes, and the annual

Declamatory and Song contests aided in promoting a splendid class spirit. Although the class did not win high honors in school contests this year, they nevertheless demonstrated commendable ability and enthusiasm in all of them.

Under the leadership of Miss Dorothy Smith and Mr. William Promersberger the Freshmen are readily availing themselves of their opportunities and to make creditable achievement in their four years at the Northwest School.
