

Scholastic Honors

Scholastic standing at the Northwest School is based on the honor point system which allows three points for a grade of A, two points for a grade of B, and one point for a C. No point is given for a grade lower than a C. The total number of points

is then divided by the total number of credits carried by the student to compute the student's honor point average. The five highest ranking students in each class are as follows:

CLASS OF 1934 HONOR AWARD SCHOLARSHIP

In 1935, the Advanced class left, as their memorial to the school, a silver plaque upon which each year the name of the highest ranking four-

year graduate is to be engraved. Lester Lerud, of Twin Valley, of the class of 1934, was the first to win this honor with a four-year average of 2.60.
