

Mr. J. W. Mlinar

The Senior Class of 1937 realizes fully that Mr. J. W. Mlinar, affectionately known as "Jock", has done much to establish high ideals, and stimulate great ambitions among the students. We recognize in him a councillor in our problems, a guide in our recreation, a teacher in our classrooms, and a friend at all times. We, therefore, wish to pay a lasting tribute to him by naming him dedicatee of our annual.
