

Dear Miss Bede,

It's hard to know just what to write in the Aggie belonging to the faculty member who has helped me so much these last three years. I've so appreciated all your criticisms when I get to be preceptless in one of the girls' dorms in Bryn-Mawr. I'll invite you to stay a weekend with me. I wish you a pleasant summer.  
Sincerely, Dorothy Evans

## Our Officers

## Class of 1937
