

Scholastic Honors

Each year at the Northwest School recognition is made for scholastic excellence. The basis of distinction is as follows: An A counts three points, a B counts two, and a C counts one. It is impossible for us to give final ratings for the

students, since the last grades are not yet recorded. But the averages as of the middle of the year are given below for the highest five students of the four regular classes.

Class of 1934 Honor Award Scholarship

In 1935, the Advanced class left, as their memorial to the school, a silver plaque upon which each year the name of the highest ranking four-

year graduate is to be engraved. To date, the names engraved are:

Class of 1934—Lester Lerud - - - 2.60

Class of 1935—Noel Hanson - - - 2.78
