

Foreword

The whirring wheels of time record another year's activity at the Northwest School. Whatever it has meant in purpose or fulfillment for you we hope you find a moving image of it here. The class of '38 presents this pictorial record of the Highlights of the year as represented by The Campus Scene, Directors at Work, Featured Players, The March of Time, Special Performance, Highlights in Sports, and Added Attractions for your enjoyment. May it be a worthy memorial of the colorful ever-changing panorama of campus life.
