

SILAS STRAND (Captain-Elect) - Twin Valley  
END

As spectacular an end as ever performed on a Northwest School football field. His ability to grab passes coupled with his speed, scored many touchdowns for the maroon and gold eleven. Our captain-elect for the 1939 football team.

PETER SULLIVAN - - - - Crookston  
BACKFIELD

Despite injuries and illness during the early part of the season Pete stuck around until he was able to play and then he thrilled spectators with his hard fight.

ORAY TANGEN - - - - - Menahga  
END

In his second year as a regular Oray played a steady, reliable game and kept the opposition subdued in their efforts on his side of the line.

KERMIT TRANGSRUD - - - - Badger  
CENTER

One of the best tacklers on the team. His accurate snapping from center was a great factor in the season's work. His all-around work brought him the Ruettell Honor Sweater as the most valuable man on the 1938 football squad.

DONALD HILDEBRAND - Detroit Lakes  
STUDENT MANAGER

Always giving the squad members some assistance and attention, Don's help made the football work a bit more enjoyable for the players. He is an important factor in the athletic department.

DONALD STE. MARIE - - - Red Lake Falls  
STUDENT MANAGER

The second Don to serve in this capacity. His wit and humor endeared him to the squad. And he was also businesslike.

The closing game of the 1938 season was played on November 11 against the Park River Aggies. Many American Legionnaires were present to witness this game which was hard fought throughout the four periods of play. Park River scored first. Then Strand intercepted a pass and soon we scored. In the final period Park River scored another to make it 12-7 in their favor.
