 Front row—O. Landsverk, L. Steen, S. Johnston, W. Schulz, D. Wellbrook, O. Frigstad, M. Ellinger.

Cross country is one of the minor sports at the Northwest School. At least two inter-school meets are held each year. During the 1938 season the annual meet with St. Paul Aggies was run off between halves of the football game on Homecoming Day. A large number of graduates were on hand to witness the victory by the Central School Aggies. On November 4th, the Northwest School team journeyed to St. Paul for a return meet with the Central runners and once again we were defeated.

CLARENCE KLUG, Captain - - - - - Barnesville  
 Clarence, our smiling pacer, seriously threatened his opponents in every run. He was "tops" on the squad.

WILBUR BETTELS - - - - - Mahnomen  
 This was Wilbur's first year on the squad. He demonstrated great ability and promises to be an important factor in next year's meets.

DAVID CALDWELL - - - - - Lengby  
 His ability as a miler put him in a responsible position during his first year on the team.

WALLACE HERMANSON - - - - - Mahnomen  
 He won his place on the squad because he had not only great staying power but reserve to make the closing seconds of the race interesting for opponents.

DONALD LaPLANTE - - - - - Crookston  
 He has held a place on the team for two consecutive seasons because of a steady pace coupled with much determination.

LEORTON LOFSTRAND - - - - - Lengby  
 His second season on the team and again he demonstrated speed, power, and endurance.
