## GIRLS' VOLLEYBALL

Volleyball is one of the girls' inter-class activities. A series of games is played during the first quarter of the school year. Each class team meets the other three class teams once during the playing schedule. In order to be declared

winner of an inter-class game a team must win two out of three games played. Upon conclusion of the regular playing schedule the final standings were: 1st, Seniors; 2nd, Juniors; 3rd, Advanced; 4th, Freshmen.

Miss Elsie Kingston, who is in charge of the girls' Physical Education work, supervises the inter-class volley ball games. Much of the interest shown in girls' athletics is due to enthusiasm which Miss Kingston has in sports.
