WILSON RADWAY

The orchestra is an important musical organization under the direction of Miss Frykman. It is open to all instrument players who desire to participate in group performances.

This group of musicians appear on many school programs including: Homecoming, Parents' Day, Thanksgiving Day, Junior-Senior Banquet, Senior Class Play, and Commencement.

Miss Frykman, director of the orchestra, devotes most of her time to private piano instruction. These students appear at a recital during Commencement Week. This is Miss Frykman's first year on the teaching staff at the Northwest School. She is an accomplished musician as well as a competent instructor
