The Northwest School band, organized one year ago, is under the direction of Mr. Bakkegaard. Besides directing the group he also gives special instructions to those who wish to learn to play band instruments.

The band has furnished music for several occasions including: Parents' Day, pep fests, football and basketball games. The first public concert was presented on Sunday evening, March 19.

Mr. Benjamin Bakkegaard comes from the University of North Dakota twice a week to direct the Northwest School band. This is Mr. Bakkegaard's second year with this group and under his capable direction the band has made rapid progress.
