MIXED CHORUS

The mixed chorus is the largest singing group in the school. Meeting once a week, each Wednesday, members of this organization obtain experience in choral singing. Membership is open to any student who is interested in obtaining this experience in group singing.

This year the chorus consists of seventy-nine members who have been meeting regularly for practices and rehearsals. The group furnishes music for various school programs including Parents' Day, Thanksgiving Day, and Assembly programs. Many members of this organization took part in the music numbers presented in connection with the Christmas Pageant.
