SONG CONTEST

It is customary, each December, on the last Monday before vacation, for each class to take part in an inter-class song contest. This year the contest was very impressive with special pageantry features arranged by the classes.

The Advanced Class, directed by Robert Nelson and accompanied by Ruth Skarp, won first place with an effective Nativity arrangement. Their songs included "Silent Night," "We Three Kings," "Come All Ye Faithful," and "Joy To The World." The Selvig Trophy was presented by the chairman, Miss Warne, to Robert Nelson, Advanced director.

Second place was awarded to the Seniors under the direction of Dorothy Larson, accompanied by Evelyn Brandt and Joyce Svedstrom. Their special number was "Deck The Halls." Other songs in their group were "While Shepherds Watched Their Flocks" and "Silent Night."

The Juniors and Freshmen tied for third place in the contest. The Junior directors were Josephine Moe and Mildred Breiland; the accompanists, Mary Sorenson and Opal Mykleby. The Freshmen were directed by Marion Nelson and Edna Balstad with Miss Frykman as accompanist.

Miss Grace Warne, Junior English teacher and instructor in violin, was chairman of the program. Much can be said of Miss Warne's ability, not only as an instructor and Master-of-Ceremonies, but also as a violinist. She performs on various programs throughout the year.
