

Miss Elsie Kingston is an efficient instructor in the Home Economics Department. She also assists in Physical Education and is supervisor of the pepsters. She is an enthusiastic sports fan.

PEPSTERS

The pepsters are an important organization for the promotion of school spirit. Each class is represented by two pepsters.

For four years Myrtle Hanson has displayed her ability in leading cheers and has won her honorary emblem. Daniel Wavra is another Advanced pepster. Both will graduate this year.

Delores Driscoll has been cheer leader for the Senior Class for three years. Ardon Hanson, commonly called "Red," is a go-getter when it comes to leading cheers.

Angeline Augustine led her class in spirited yells for one and a half years and now Camilla Ecklund is rapidly following in her footsteps. Donald Ste. Marie is that pepster with the big smile. He is always busy and manages to get in his share of yells for the team.

Doris Sjostrand and Dale Halvorsen are the Freshman pepsters. During their first year they have both demonstrated plenty of pep and enthusiasm.
