DEBATE

MILDRED BREILAND	MARION ERLANDSON	VERNON SCHOLIN
RUBY BREILAND	ARTHUR GORDON	ANNE SORENSON
JULIAN ERLANDSON	BYRON HESS	VICTOR SORENSEN

The debate squad under the direction of Mr. Wegener, has made excellent progress. Two early practice meets were held with Thief River Falls and Warren and one with Mahnommen.

The topic for debate this year is "Resolved, that the United States should form an alliance

with Great Britain." This topic is both interesting and educational. Late in the afternoon before a debate meeting one may find the library occupied with debaters pondering over a problem. You may see Mr. Wegener pacing the floor and scratching his head while he talks with his squad.

This is Mr. Wegener's first year in directing the destinies of the debate team at the Northwest School. His hard work and fine coaching have made him popular with the squad. Success in the conference debates seems very promising.
