The Speech Choir is comprised of twenty-two members of the Advanced Class. This group was newly organized this year and has done work on a group of choral selections of various types including ballads, patriotic and religious numbers, and modern poetry.

This Choral Speaking group appeared on several occasions during the school year. They gave readings on Sunday evening programs, Armistice Day, Thanksgiving Day, and at Winter Shows.

Miss Dorothy M. Smith, head of the English Department was responsible for the organization of the Speech Choir. She also has charge of the work in dramatics as well as regular work in English and Journalism.
