Twice weekly the members of the Crops Judging Squad meet under the direction of Mr. E. R. Clark, for practice in the Crops Laboratory. Eight were chosen shortly after the start of the second term, from a large group that reported at the beginning of the practice period in November.

From these eight Albert Adler, Reuben

Thompson and Oray Tangen were selected to represent the Northwest School in the Sub-Collegiate contest held in connection with the Red River Valley Shows.

A contest was held in the Crops Laboratory with six schools competing. Oray Tangen was high score man on the team. The team won second place in the contest.

Mr. Clark has been in charge of Crops Judging for several years. Much of the team's success can be attributed to his hard work and sincere effort.
