

# ARMISTICE DAY

Armistice Day is observed each year at the Northwest School by an impressive assembly program and ceremony at the campus monument.

This year the program opened with our National Anthem, "The Star Spangled Banner," sung by the student body. Several appropriate selections including: "Armistice Day," "Marching Song," and "In Flanders' Fields" were presented by the Advanced Speech Choir. Miss Bierbauer sang a solo, "Requiem," by LaForge. An inspiring talk was given by Rev. Abner Haugen of the Lutheran Church of Crookston. The assembly program closed with the song, "America The Beautiful."

Led by an American Legion Drum Corps, students and faculty marched to the monument near the campus gates for the final ceremony.

Evelyn Brandt, Senior Class President, carries the wreath.
