“Let’s All Sing Like the Birdies Sing”

For a moment let us step into the auditorium where the Girls' Glee Club is rehearsing for the final appearance of the year... Commencement exercises. Only a few days before the group has made its appearance at the annual Music recital. A review of the year's activities show that the group has performed on many occasions, Parents' Day, Thanksgiving Day, Christmas program, and

the Winter Shows in addition to Commencement and the Music recital.

Miss Elvira Bierbauer, director, has been instrumental in the fine work of this group. Besides the direction of vocal groups she teaches voice and thereby is able to encourage the best voices to join these music groups.

The personnel of the Girls' Glee Club is:
