"We Thank Thee"

The Choir was first organized by Miss Bierbauer two years ago and has become a very important part of not only the musical activities of the school but also of school work in general. Through careful tryouts Miss Bierbauer has selected the best voices and these have been blended together in a skillful manner to produce very

impressive music. In addition to contributing to the regular feature days at the school the Choir appears each Sunday evening at the evening services sponsored by the YW and YMCA. The group also sings the responses at the regular school assemblies on Tuesday, Thursday, and Saturday.
