“O, Come All Ye Faithful”

Organized three years ago the Newman Club has made a great contribution to the religious life of the Catholic students on the Northwest School campus. The organization meets bi-weekly on Mondays and has for its spiritual adviser Father Keefe of the Cathedral of the Immaculate Conception of Crookston. The regular attendance of the entire membership of this organization is evi-

dence of the appreciation and the value of the work of this organization.

Miss Fae Hughbanks, instructor at the Northwest School, serves as faculty adviser. She has served in that capacity for three years and through her sincere and inspiring leadership the success of the organization was assured.
