## “Shout Aloud in Triumph”

The Speech Choir is in its second year of existence. The first public appearance of this group during the current school year was at the Red River Valley Winter Shows. The reception given the group was most enthusiastic as evidenced by the requests for additional performances and for information regarding this type of activity.

Shall we read the “Spider and the Fly” or shall it be “The Village Blacksmith”? Or the

“Raven”? Or what have you? Unison reading. Excellent diction. Accurate timing. Precision. Inflection. Let’s start together.

Miss Martha Myrle Manning is coach of the Speech Choir and the class meets twice weekly under her direction. This new speech activity is in its second year of existence and promises to become one of the important permanent organizations at the Northwest School.
