

THANKSGIVING DAY

"Thanks for Everything"

Thanksgiving Day is observed at the Northwest School each year with the entire faculty and student body taking part in the day's program.

With no classes scheduled for the day and with an elaborate dinner served at noon students devote the forenoon in the decorations of the Dining Hall tables to compete for the prizes offered for the best Thanksgiving Day theme.

It is the Thanksgiving Day dinner and all eyes turn kitchen-way as the waitresses cart out turkey after turkey. Fifty turkeys in all for faculty, student, and guest consumption. After the dinner prizes are given to the groups of students whose tables have been judged as top three in the competition.

Then comes the Thanksgiving Day program with speeches, music, and a one act play, "The Weatherman's Secret" which is enjoyed by a large audience of parents, students and faculty.

Cast of "The Weatherman's Secret"
