

WINTER SHOWS

The first week in February is annually observed as Northwest School Farmers' Week and Red River Valley Winter Shows. Faculty and students participate in the entire program of the week. Educational lectures and demonstrations are attended and agricultural exhibits inspected.

The school program for the four day period goes on a thirty minute class period schedule and the afternoons and evenings are devoted to the educational features of the Winter Shows.

It was in 1911 that the Winter Shows began under the sponsorship of the Northwest School and this event has annually become of increasing importance to the Red River Valley and to the

state of Minnesota. At the 1940 Shows, which was the thirtieth annual, a special pageant depicting the growth of the Shows, was presented by Northwest School students.

Outstanding speakers this year were:

Harold E. Stassen, Governor of the State of Minnesota.

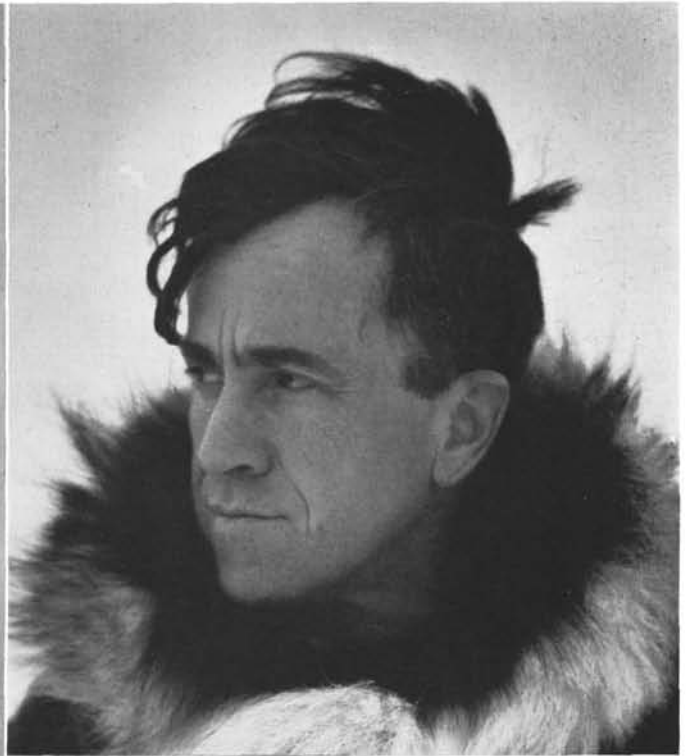

John C. Metcalfe, of the Dies Investigating Committee.

Father Bernard R. Hubbard, famous Alaskan priest and explorer.

The Northwestern Singers' Association presented its annual concert on Tuesday evening.

Governor Stassen

Father Hubbard
