

SWIMMING

Surges Amundson, David Brown, Dale Halvorsen, William Merdink, Captain; Phillip Lambert, Frank Brown, John Carlson, Floyd Oltman, Wallace Riopelle, Robert Anderson, Maurice Dufault, Coach Bennett

Swimming is in its second year as a sport at the Northwest School. By faculty action this year this activity was made a major sport.

Several inter-school meets were held prior to the Second Annual Minnesota Schools of Agriculture Swimming Meet. When this latter event was held at the Northwest School on Saturday,

March 2, the championship was awarded to our team.

Swimming promises to become a most popular activity. Coach Bennett has made a good record and the future continues to look very good.

Red Cross Life Saving Classes are also a part of the school curriculum.
