Another activity which is in its second year and which, by faculty action was changed from a minor to a major activity is wrestling. This sport attracted a large number of students this year. Daily practices were held.

Inter-school matches were scheduled with the North Central Aggies at Grand Rapids and won

by them and two meets with Fosston High School, both won by the Northwest School squad.

In the Minnesota Agricultural Schools Conference Meet the Northwest Aggies finished third.

To Coach Bennett goes the credit for the showing made by the squad and for the great interest shown in wrestling.
