## CLASS ADVISERS

To the fine young women and men of the Senior Class of 1941, I wish to express the joys given me while acting as one of your advisers and of the pleasures of knowing each and everyone of you. It is with much regret that I see your graduation from this school but I realize that the time has come in your lives which necessitates the making of places for yourselves in the world. All your future endeavors will be of great interest to me and may your highest hopes and ambitions be fulfilled.

I extend my most sincere and best wishes to you for much success and happiness.

Sincerely,

Elvira Bierbauer

As one of the advisers of the 1941 Senior Class, I wish to say that I have enjoyed working with you. I have become well acquainted with you individually and this has given me a great deal of satisfaction in knowing you this well. Editing the AGGIE has been a big undertaking for you and it has been well done. This is another venture in which I was glad to share with you. I want you to know that I am deeply interested in you and will watch your further progress with much interest. I extend my most sincere and best wishes to you.

Sincerely,

A. Kirk Crawford
