

# BOYS' GLEE CLUB

Once each week, Tuesday, members of the Boys' Glee Club gather in the school auditorium for their weekly practice under the direction of Miss Bierbauer. The organization includes the thirty-one best male voices in the school. Hymns, classics, semi-classics, negro spirituals, folk songs, and others are a part of the repertoire. Traditional appearances of the group are: Parents' Day program, Christmas program, Christmas pageant, Winter Shows, and the Commencement exercises.

The personnel of the Boys' Glee Club includes members of the freshmen, junior, senior, advanced, and special classes. That the boys appreciate their opportunity to meet once each week for singing purposes is evidenced by the regular full attendance.
