The twenty-third annual Inter-Class Song Contest was held at the Northwest School on Friday evening, December 13. All four classes and ninety-five percent of the students took an active interest in the contests.

In accordance with the rules and regulations of the contest, all classes sang the contest song "It Came Upon a Midnight Clear". Two other songs were chosen by the classes. Student directors, student accompanists, student planning, all are a part of the contest. Pageantry is permitted but instrumental accompaniment during performance is limited to piano or organ.

The contest each year creates great inter-class competition and at the same time becomes, on the night of the performance, the most impressive contribution of the pre-Christmas vacation.
