Each Sunday, at 8:45 in the morning and at 7:30 in the evening, the Y. M. and Y. W. C. A. sponsor meetings on the Northwest School campus. The Sunday morning meetings are given over to Bible Study with teaching staff members of the school contributing to the discussions. The girls meet in Robertson Hall and the boys meet in Stephens Hall. The evening meetings are joint gatherings held in the school auditorium. To these meetings are invited the pastors of the various churches in Crookston. Once each month the Sunday evening program is a student program entirely with student officers of the organization leading in the discussion and with the student body contributing. Included in the Sunday evening program are motion pictures of an educational nature. Music is supplied by the school choir. The YM. and YWCA are very important organizations on the school campus.
