

DEBATE

Standing (left to right): K. Rosholt, V. Nelson, D. Jacobson
Seated: M. Ristad, D. Nelson, Miss Webster

Resolved: That the power of the federal government should be increased.

For weeks members of the debate squad have been meeting daily to consider the above question and to prepare arguments for and against.

With Miss Webster's enthusiasm and encouragement, the debaters have prepared convincing discussions for both sides of the question. Practice debates have been held with Thief River Falls, Mahnomen, and Red Lake Falls. The annual triangular meets are scheduled for Friday, March 7, when one Northwest School team journeys to Morris to meet debaters from the West Central School of Agriculture; the other Northwest team engages the St. Paul Aggies in our campus auditorium on the same evening. To the debaters representing the Northwest School in the inter-school meets are awarded gold medals upon conclusion of the debate season.
