Parents' Day was observed on Saturday, November 2 and approximately 700 fathers and mothers came to the Northwest School campus to watch son or daughter perform in classes and at program. An all-student assembly in the afternoon included instrumental and vocal music, discussions, speeches, and a one act play. Following the program parents visited the gymnasium where home project exhibit was open to be inspected during lunch of coffee, cakes, cookies.

"How's it going?" says Dad Pastuck to son, Bill.

"Nice to see you, Dad," says Charlene to Mr. Walters.

"I'm glad you're here, Dad," says Lyle Clow.
