

CLASS WORK

PICTURES: (top left) Acetylene welding is a new course added this year and it has been very popular. Ed Pearson and Leon Schulz show how it is done. (top right) Maurice Dufault demonstrates to Mr. Foker and the photographer the technique of saw-handling (middle left) Marie Waldal is striking up her trial balance in Bookkeeping. (middle right) Norman "Heavem" Hveem works on the calculator. (bottom left) Floyd Dahi and Kathryn Brankli demonstrate factoring in Algebra as Helmer Swanson awaits his turn. (bottom right) Football captain Pug Lund, heads for classes—English Literature??
